

# AGRO-BOOST

**Adjuvant**

*good chemistry*

Reg. No:  
383/23

Net Contents:  
See Container

**Read the label carefully before opening.**

An adjuvant to improve the efficacy of the herbicides listed.

**ACTIVE INGREDIENT:**

Ammonium sulphate ..... 50% m/v

**Registered and Distributed by:**

Optimum Agro (Pvt) Ltd  
12 Highfield Road,  
Southerton, Harare  
Zimbabwe.  
Tel: 0242774725

**Manufactured by:**

AECI Plant Health  
(a division of AECI Ltd.)  
14 Field Road, Lilianton,  
Boksburg, 1459, South Africa

**Batch No:** See container

**Date of Manufacture:** See container

**Expiry Date:** See container

**Shelf life:** Two years from the date of manufacture if kept in the original unopened container under constant cool and dry conditions.

*For further information see attached pamphlet*

**UN No.:** Not regulated

# AGRO-BOOST

An adjuvant to improve the efficacy of the herbicides listed.

## ACTIVE INGREDIENT:

Ammonium sulphate ..... 50% m/v

## PRECAUTIONS:

Do not inhale fumes or spray mist. Wash with soap and water after use and accidental skin contact. Do not eat, drink or smoke whilst mixing or applying, or before washing hands and face and changing clothes. **AGRO-BOOST** may be corrosive to metal parts of sprayers. Prevent contamination of food, feedstuffs, drinking water and eating utensils. Thoroughly wash and rinse spray equipment after use and dispose of wash water where it will not contaminate crops, grazing, rivers and dams.

When empty, invert the container over the spray tank or mixing tank and allow it to drain for at least 30 seconds after the flow has slowed down to a drip. Thereafter rinse the container three times with a volume of water equal to at least one tenth of that of the container and add the rinsings to the contents of the spray tank. Destroy the container by perforation and flattening and dispose of it in a safe way. Do not use the container for any other purpose

**KEEP OUT OF THE REACH OF CHILDREN AND KEEP APART FROM FEEDS AND FOODSTUFFS.**

## SYMPTOMS OF HUMAN POISONING

None known

## FIRST AID

**Inhalation:** : If breathed in, move person into fresh air. If not breathing, give artificial respiration. In case of discomfort seek medical attention.

**Skin contact:** None required

**Ingestion:** Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth with water. Seek medical attention.

**Eye contact:** Flush eyes thoroughly with water for several minutes. Remove contact lenses after the initial 1-2 minutes and continue flushing for several additional minutes. Seek medical advice if symptoms persist.

## NOTE TO PHYSICIAN

There is no specific antidote. Treat symptomatically.

## WARNINGS:

Handle with care. Irritating to eyes and respiratory system.

Full cognisance must be taken of all warnings, precautions and directions for use mentioned on the labels of the products with which **AGRO-BOOST** will be used.

Store in a cool place away from food, feeds and seed.

Keep out of reach of children, uninformed persons and animals.

ALTHOUGH THIS ADJUVANT HAS BEEN EXTENSIVELY TESTED UNDER A LARGE VARIETY OF CONDITIONS THE REGISTRATION HOLDER DOES NOT WARRANT THAT IT WILL BE EFFICACIOUS UNDER ALL CONDITIONS BECAUSE THE ACTION AND EFFECT THEREOF MAY BE AFFECTED BY FACTORS SUCH AS ABNORMAL CLIMATIC AND STORAGE CONDITIONS; QUALITY OF DILUTION WATER, COMPATIBILITY WITH OTHER SUBSTANCES NOT INDICATED ON THE LABEL AS WELL AS BY THE METHOD, TIME AND ACCURACY OF APPLICATION. THE REGISTRATION HOLDER FURTHERMORE DOES NOT ACCEPT RESPONSIBILITY FOR DAMAGE TO CROPS, VEGETATION, THE ENVIRONMENT OR HARM TO MAN OR ANIMAL OR FOR LACK OF PERFORMANCE OF THE ADJUVANT CONCERNED DUE TO FAILURE OF THE USER TO FOLLOW THE LABEL INSTRUCTIONS OR THE OCCURRENCE OF CONDITIONS WHICH COULD NOT HAVE BEEN FORESEEN IN TERMS OF THE REGISTRATION. CONSULT THE SUPPLIER IN THE EVENT OF ANY UNCERTAINTY

## DIRECTIONS FOR USE: Use only as directed

**AGRO-BOOST** is an aqueous solution that is suitable for all spray waters and spray equipment.

**AGRO-BOOST** complexes certain dissolved salts such as Calcium and Magnesium.

**AGRO-BOOST** improves the performance of the imidazolinone herbicides.

**AGRO-BOOST** is always tank mixed with the imidazolinone herbicides and applied as a post emergence application to weeds.

Use **AGRO-BOOST** at a rate of 2 % (volume / volume) of the spray mixture.

Ensure thorough coverage and wetting of the weeds, especially when crop foliage is dense.

The pH and hardness of the spray water may have a market effect on the performance of the glyphosate and sulposate containing herbicides.

## Mixing instructions:

Fill the spray tank three-quarters with clean water. Measure the required volume of **AGRO-BOOST** and pre-mix this with at least 10 l water before adding to the spray tank. The other product(s) to be mixed with **AGRO-BOOST** should be pre-mixed in a similar fashion. Agitate the water in the spray tank and then first add the **AGRO-BOOST** followed by the other product(s). Fill the spray tank with water to the required level while maintaining agitation to ensure thorough mixing of the spray mixture before spraying commences. Maintain agitation while spraying. The prepared spray mixture must not be left in the spray tank for any length of time, e.g. overnight.

All spray applications must be made with suitable equipment that is in good working order and correctly calibrated to give the desired coverage for that particular method of application.

## Rate of application:

Mix 2 l **AGRO-BOOST** per 100 l water (2%)
